Harassment Free Culture

Far too often, harassment trainings consist of bone-dry lectures, statistics and horror stories about the consequences of non-compliance.

This interactive online training is different!

It offers relatable examples, variety and unexpected twists.

You can't make this stuff up!

Everyone is responsible for maintaining a workplace that is free from harassment. This course raises awareness and sensitivity to the issues while teaching that respect for differences is not only required by the law, it's also the right thing to do.

- Can be customized to fit your company's culture
- Available online and optimized for mobile delivery
- Compliant to all California Harassment law, including 2018 updates
